Whether you're considering a full roof replacement or just need a quick repair, our extensive FAQ covers everything you need to know. Request a Quote Roofs.com.au GENERAL ROOFING SERVICES What services does Roofs.com.au provide? We offer complete roofing solutions including roof repairs , replacements , new roofs , maintenance , cleaning , inspections , and more. How do I know what type of service I need? Book a roof inspection to assess the condition of your roof. Our experts will recommend repair, restoration, or replacement based on your roof's needs. Can I get a free quote? Yes, we offer free, no-obligation quotes. You can request one via our contact form . How long will roofing work take? Most jobs take 1–5 days depending on size and complexity. Roof replacements generally take 2–4 days, while repairs may be completed in a few hours. Is it safe to remain in my home during roof work? In most cases, yes. Our team follows strict safety protocols and minimises disruption. For large projects, we'll advise in advance if vacating is recommended. What sets Roofs.com.au apart from other roofing companies? We offer nationwide

service, licensed and insured professionals, honest pricing, and expert craftsmanship. See more reasons on our [Why Choose Us](#) page. Are your services residential, commercial, or both? We provide roofing services for both residential and commercial properties across Australia. Do you handle insurance claims? Yes, we can assist with insurance paperwork and inspections, especially after storm damage.

Roofs.com.au ROOF TYPES & MATERIALS What types of roofs do you work on? We specialise in tile , metal , terracotta , concrete , slate , flat , and skillion roofs. Which is better – Colorbond or tile roofing? Both have their advantages. Colorbond is lightweight, low-maintenance, and sleek. Tile offers classic appeal and better insulation. Can you install a green roof or solar roof? Yes, we offer green roof and solar roof solutions for eco-conscious homeowners. Are flat roofs prone to leaking? Flat roofs require proper drainage to avoid pooling. With correct materials and installation, they can be just as durable as pitched roofs. Do you offer asbestos roof removal? Yes, our team is trained in safe, compliant asbestos roof removal across Australia. What roof materials are most energy efficient? Colorbond, green roofs, solar roofs, and cool roof coatings all provide great thermal efficiency. See our guide to [energy-efficient roofs](#) .

Roofs.com.au CLEANING & MAINTENANCE How often should I clean my roof? Typically every 12–24 months depending on environmental conditions. We offer soft wash , high-pressure , and chemical cleaning. Do you offer eco-friendly cleaning methods? Yes, we provide eco-friendly roof cleaning using biodegradable, non-toxic treatments. Can I clean the roof myself? We strongly recommend hiring professionals. DIY cleaning is risky and often causes more harm than good. What is the difference between soft wash and pressure wash? Soft washing uses low pressure and chemical solutions, ideal for delicate surfaces. High-pressure is better for tougher grime but not suitable for fragile tiles. Do you clean gutters? Yes, we offer gutter cleaning and gutter repairs to prevent blockages and water damage. Do you clean skylights and solar panels? We offer skylight cleaning and solar panel cleaning to boost light entry and energy output.

Roofs.com.au ROOF DAMAGE & REPAIRS What are the signs I need roof repairs? Signs include cracked tiles, water stains, sagging, missing flashing, or moss build-up. Read more in our blog on [Signs You Need a Roof Replacement](#) . What do I do if my roof is leaking? Call us immediately or use our emergency repair service to minimise damage. Do you fix hail or storm damage? Yes, we specialise in storm and hail damage repairs , including insurance coordination and urgent call-outs. Can you repair just a section of my roof? Yes. Targeted repairs are possible and often cost-effective if the damage is localised. Will a roof repair match the existing roof? We do our best to match colours and materials for seamless results. How long do repairs last? With quality workmanship and materials, repairs can last many years. Some repairs are even covered under warranty.

Roofs.com.au COSTS, WARRANTIES & INSURANCE How much does roofing cost in Australia? It varies by location, material, and size. Read our guide: [Roof Cost in Australia](#) . Is roof work covered by home insurance? Damage from storms or accidents may be covered. General wear-and-tear usually isn't. We can help with insurance quotes and documentation. Do you offer payment plans? Yes, flexible payment options are available for larger projects. Speak with our team for details. Are your services guaranteed? All our work includes workmanship guarantees and product warranties depending on the material.
